	Glossary of Terms
Arrears	Leeds BS identifies a loan as being in arrears where an amount equal to or greater than a full month's contractual payment is past its due date. Arrears includes fees and insurance premiums that are included in the arrears balance on which interest is charged. Months in Arrears is a simple multiplier of Arrears balance/normal instalment. If the Months in Arrears is less than one, zero is reported. Leeds BS recognise that arrears are typically caused by temporary changes in customer circumstances, and therefore offer a range of forbearance and account management options to customers. Options include payment holidays, temporary conversion to interest only, term extension and arrears capitalisation. All account management/forbearance options are low in materiality.
	The General Reserve Required Amount shall be an amount equal to 1.50 per cent. of the Sterling Equivalent Principal Amount Outstanding of the Class A Notes on such Interest Payment Date (taking into account any redemptions of the Class A Notes on such Interest
General Reserve Required Amount	Payment Date), subject to a maximum of the Initial General Reserve Required Amount and a minimum of 0.1 per cent. of the True Balance of the Portfolio as at the calendar day immediately preceding the Closing Date.
Geographical Distribution	Mapped to Leeds BS internally derived geographic regions which may differ to the Nomenclature of Units for Territorial Statistics (NUTS) regions used in other reporting
Indexed	Indexation is applied quarterly on a regional basis to property valuations each January, April, July, October.
Interest Payments	Refer to payments made during the specified reporting period.
Mortgage Account	A mortgage account means all Loans secured on the same Property and thereby forming a single mortgage account
	As at the given date, the aggregate of: (a) the original principal amount advanced to the borrower and any further amount advanced, (b) any interest, fees or charges which has been capitalised and (c) any other amount (including accrued interest and arrears of
True Balance	interest) which is due or accrued (whether or not due) and which has not been paid and has not been capitalised
